Directors' Meeting

The Board of Directors of S. A. D. 44 met in regular session in the Telstar Library on Monday evening of this week.

The Board approved one personal day each for Charles P. Taylor, Suzanne Taylor and Felix Otero-Otero to enable them to accompany Telstar students on a non-school sponsored trip to Europe during Spring vacation.

It was the decision of the Directors to refuse a Department of Energy Matching Grant in the amount of \$22,500. The grant together with a like amount of S. A. D. 44 monies would have been utilized to facilitate a conversion to solid fuel at Crescent Park School. Included in concerns over the grant were its apparent lack of energy conservation adjustments in the present structure, lack of storage space for solid fuel and possible inaccuracies in pay-back projections. The Board re-designated \$22,500 in District funds that would have been utilized to match the Federal funds, as a Crescent Park School Energy Project Reserve Account.

Cynthia Moxcey of Newry was approved by the Board as Central Office Clerical Assistant. This position is to provide clerical assistance to the Central Office Staff.

Nancy Mercer of Bethel was approved as part-time Telstar Secretary/Receptionist. The position is to provide secretarial support services for the high school; greet callers, and when appropriate, issue information relative to school functions.

The Board tabled any action relative to approval of the minutes of the Nov. 14 meeting; re-admission of an expelled student, and appointment of remaining Elementary Intramural positions.

As a result of action by the Directors the second regular meeting in December was cancelled, continued on Page Four

— Mrs. Arline Bernier, Corres. —

Last week brought us ice, sleet, rain, snow and high wind. The power was out for several hours Friday night in Errol and Upton. As of this writing, we still have a little snow which is very pretty — below the North it is drab and brown.

Mike Linkenback of Errol was in town Monday to collect empty bottled gas tanks and related items.

Anyone interested in taking part in the Christmas Eve program at church please come to Laurie Bergeron's house, Monday, Dec. 5, at 4:30 p. m.

Our sympathy to Oscar Hamel whose brother died in Berlin following an operation.

Ellie Lecomte attended a class in Berlin Saturday for the medical profession for use in emergencies.

Walt Lumbert spent a night in the Cedar Brook area following a days hunting. Swollen brooks and a late start out caused him to decide to build a shelter of boughs and camp out. His grandson, Doug, searched for him, called wardens to assist, some neighbors volunteered help and near day-break they located him.

We had some snow cover, but heavy rain and above freezing temperatures have cleaned out most of it.

Nineteen people attended a church service conducted by Pastor Holliday of Andover. There were four students of F. S. T. of Charleston, Maine present. The teaching was based on Nehemiah as in the second chapter of the story of his life.

The Berniers and Bergerons joined the Korhonen's and Lou Bernier's in Newry for a Thanksgiving feast Sunday evening.

Frank Spinney of North Windham visited his sister one day last week.

Reggie Edwards had a soil test taken and Gilles Viens has been doing some work for him on his lot on Dweller Hill this past week.

Laurie Bergeron and Linda Jenkins of Errol were in Rumford and vicinity Monday.

CARD OF THANKS

We wish to thank all our relatives and friends for sharing in the celebration of our 50th wedding anniversary. A special thanks to our sons and wives: Dean and Sheila, Jim and Julie, for arranging the party. We also appreciate all the beautiful cards, gifts and money we have received. Thanks, too, for the lovely floral arrangements and anniversary cake.

Donald and Elsie Bennett

UNITED METHODIST CHURCH SCHOOL

God has blessed us with a great abundance. The United Methodist Church School wishes to thank all those who donated their gifts of food and money toward Thanksgiving baskets. Five baskets were prepared, complete with turkey, and delivered to families and senior citizens to brighten their Thanksgiving season.

"Wow, wouldn't it be great if we had Christmas every single day of the year?" The children and teachers of the United Methodist Church School are busy preparing an exciting and fun Christmas program this year. "365 Days of Christmas Each Year" written by Robert Mantzke is a lively musical drama for all ages. It explores the ideas of: God sending us a valentine; Joy to the World March April May; Christmas in July; and yes, even Christmas at Halloween! Isn't that the idea God had for us in the first place, feeling the love of Jesus in our hearts every hour of every day all year long? "365 Days of Christmas Each Year" will be shared in worship on Sunday, Dec. 18 at 11 a.m., at the United Methodist Church in Bethel.

Church School is the place to be! The Methodist Church School is having a great year growing together in God's love. If you'd like to come and join, there are classes every Sunday morning at 9:15 a.m. for pre-school through adult, and there is an adult Bible Study on Tuesday mornings. Church School is where it's at!!

Letters to the Editor

Nov. 24, 1983

To the Editor:
It is with much sadness that I read of the untimely death of Jane Greig Barth in the Citizen this week.

I will always remember Jane as the epitome of the involved citizen. She gave of herself unselfishly to the causes that meant much to her—Gould Academy, S.A.D. 44, the Bethel Library, dental health, etc. There was nothing apathetic about her. She possessed an intense interest in her town and community and was invariably willing to volunteer for one project or another.

In short, she was an excellent community person with high standards. Bethel has lost a good citizen in the finest sense of that phrase.

My deepest sympathy is extended to her family in their great loss.

Very sincerely,
Stan Howe

To the Editor:
The Bethel Historical Society has lost a valued and respected member with the death of Hazel Grover Wheeler. A member since 1975, Hazel served as a guide in the Moses Mason Museum until failing health prevented her from continuing. She was also a member of the Garden and Grounds Committee. In both capacities she rendered outstanding service and her contributions will long be remembered.

For me, her most significant contributions will be in the local history of the area. Hazel told me a great deal about Bethel and its people. She possessed a good memory for important historical details and I will always treasure the knowledge she shared in helping the Society preserve and interpret the local past.

Very sincerely yours,
Stanley Russell Howe
Director
Bethel Historical Society

BETHEL SAVINGS BANK RECEIVES APPROVAL TO OPEN TRUST DEPARTMENT

The Board of Trustees of the Bethel Savings Bank is pleased to announce that they have received approval from the State of Maine and the FDIC to open the State's first mutual savings bank Trust Department. Bank President James Delamater reports that due to a vote by the Maine Legislature which became effective in September of this year, the savings banks of Maine were allowed to offer the same trust powers that traditionally were found only in commercial banks. Bethel Savings Bank has been working on the formation of its new department ever since the vote became a possibility and believes it has found a new approach to trust services. Delamater states, "Our goal was to blend our ability to provide personal service with some of the best investment advice in the country and we believe we have far exceeded our expectations. This development has been a major step which, when added with our cash management and brokerage departments, makes us a true financial center which can serve the various needs of any member of the community we represent as a mutually owned bank."

Bethel Savings Bank has increased its asset size over ten million dollars in the past two years and believes this combination of full service products plus traditional "small bank" personal service is the reason for such growth. The bank's main office is in Bethel, with branches in West Paris and Harrison.

PILGRIMS AND INDIANS *
GATHER AT E.B.S. FOR
THANKSGIVING NOV. 23

Bethel Bisbee Elementary School in Bethel was alive with Pilgrims and Indians Wednesday, Nov. 23, all gathering in Patuxet or Plymouth (Mrs. Cole's room) for a Thanksgiving feast amongst friends.

Pilgrim men and women were garbed in stiff collars, cuffs, and hats. Indians wore colorful "feather" headaddresses and rigatoni Indian beads. The gathering of about 70 children could only gain admittance into the village by telling Squanto or Miles Shamash one thing they were most grateful for. Most often mentioned were family, food and pets.

The womenfolk served popcorn and "chickadee" butter in "birch bark" trenches along with

PILGRIMS & INDIANS GATHER AT E.B.S. FOR
THANKSGIVING NOV. 23

Above is the scene last week at the Bethel Bisbee School when the Pilgrims and Indians gathered in Mrs. Cole's room to celebrate Thanksgiving Day.

"soft" apple cider. The Pilgrim hosts recited a poem expressing thanks for all they had. Sharing the fellowship of their neighbors in a strict setting for a while gave the youngsters a taste of what Pilgrim etiquette was like.

During the previous week many interesting activities were tied in with learning of our nation's heritage. Mrs. Jeanne Cole's class learned what many old tools and utensils were used for. Candles were hand-dipped, and butter was made to be used at the feast. Mrs. Caroline Gould's class made moose turkeys out of seeds. Mrs. Sue Wright taught the children how to do these handsome plaques.

Children in Mrs. Kathie McCluskey's room could make no errors in following a recipe for cranberry nut bread. Mrs. Jolene Shimamura's transitional kindergarten made apple and pumpkin pies, and put on a puppet show on our first Thanksgiving for all the grades.

It was an enlightening and enjoyable week for students at Bethel Bisbee School, proving that LEARNING about our country's history IS FUN!

Rotary Club News

The Bethel Rotary Club held its luncheon meeting at the Sudbury Inn at 12 noon on Nov. 28. The program chairman for this week was Roger Conant and his speaker was Archer Poor of Andover who spoke on Indian artifacts. He began with the Indian origin and archeology as applies to the New England area. New sites for Indian artifacts are being found all over this area and these areas can be reasonably well dated. Archer displayed many artifact objects and photographs of tools and weapons.

Following the very well enjoyed and appreciated entertainment program the results of the nominating committee meeting held on Nov. 22 to appoint officers and directors of the Bethel Rotary Club for the 1984-85 year was read to the membership by Nominating Committee Chairman, Jim Monahan, for approval by the membership at large.

The following Rotarians were nominated by the committee for officers: Jim Monahan, president; Bryce Yates, first vice president; Lennie Shaw, second vice president; John Head, secretary; Dave Preble, treasurer; sergeant-at-arms, Ed Quinn, and asst. sergeant-at-arms, Rollie Glines. Committee nominees for directors of the club were: Ted Chadbourne, Community Service; Bill Clough, Vocational Service; Roger Conant, Club Service, and Bill Judson, International Service.

The program activities for next week, Dec. 6, will consist of a Board of Directors meeting at 7 a. m. at Lennie Shaw's office, followed by Club Assembly at the Sudbury at 12 noon.

At this week's meeting the co-chairmen for the Senior Citizens Christmas Dinner, Rollie Glines and Jim Monahan, reported on the status of preparations and firming up committees for the big day on Dec. 9. Jim and Rollie will do the shopping; Bryce Yates heads up the kitchen crew after the meal service. The Rotarian ladies will do the table set up and service. The Rotarians love the ladies and the great support they provide. This dinner is backed by Stop and Shop.

IN MEMORIAM
In Memory of
Ethel M. Barnett
who passed away Nov. 29, 1977
Oh, how patient in your suffering
you were, oh Mother dear
No human hand could give you
ease
but you made it all so clear
You said, God, the helper of the
helpless
would soon call you home
He saw your pain and gave you
peace
you said you wouldn't be alone
A Mother is she who can take the
place of others
but whose place no one else can
I remember you my Mother
I know you're happy in God's
place.
Very much missed,
daughter Esther

IN MEMORIAM

In Memory of Mary and Lisa Howard who passed away Dec. 5, 1971. Please, take my hand today, I want to walk with Thee; Because Thou does know the pathway of all adversity.

You know my days are sometimes filled, with more than I can cope; I need your courage to uphold the strength that brings me hope.

I am so human and I need the strength of thy firm hand; With joy my heart and mind concede I still don't understand.

Why Mary and Lisa too did you suddenly take away So good, so full of life, you knew their memory still lingers on today.

I miss them so, my heart breaks but life goes on, memories linger on. A new day will dawn, and I'll awake. But my love for you will never be gone.

Mrs. Colliste Morgan, Corres.

This is a raw November day with a few spits of snow but as yet not enough to whiten the grass. Temperatures are in the 30's but the lack of sun with dampness it feels ten degrees colder.

I haven't been out and I'm sure if I could I'd hike the hills and enjoy it. I'd stretch my legs across the home pasture or follow the brook to find its chattering small falls and then go on down to the meadow. I'd hear the sound of footsteps walking beside me of these, I know how it would look after the recent rains. I know where the partridge is waiting and can almost hear it take off like a racing car, whirring around a big pine, then vanish.

Now I look on to the pond, full and much calmer than last night. How the wind howled then! The waves rolled like the ocean. Seldom do we see it that rough. All the frost flowers we had for a time have been washed away or shattered by the wind. Frost flowers always fascinate me. They are wildflowers, formed in the out door humidity during nights. They form on black ice, dazzling white and look like tufts of feathers, growing upright. These frost flowers are fragile and a strong gust of wind easily shatters them.

The wind continued all night long. Around us this morning we could see branches and tiny broken limbs, too weak to stand through the fury. Our power went off for an hour. To some there is always something deeply exciting, by the sound in the trees. Is it the varied water-like flow in the movements of conifers, singing and playing their wind-music? As for me I do not like strong winds. I'm always glad when the storm tones die down and the forest is once more hushed and tranquil while the setting sun fills them with amber light. Then the ruins of the storm are forgotten as they again appear fresh and seem to say, "My peace I give unto you."

There were many Thanksgiving gatherings and on various days. We joined the Holt family for a short time at the farm. Doris Hayes went to New Hampshire to

be with some of her family at her granddaughter's on Thursday. She returned on Friday. Saturday, the family gathered at the Hayes Homestead. Her sons and families were there.

Mr. and Mrs. Fred Curtis had a large gathering on Sunday.

Mr. and Mrs. Leonas Holt and Clyde Morgan attended the services for their aunt, Alberta Morgan, on Wednesday.

My improvement is very slow but I have gained some. I have appreciated so much my many cards and letters and telephone calls.

"When trouble comes your soul to try You love the friends who just stand by."

One call came from down in Florida and her voice was just like sunshine, it freshened all the day. A "thank you" to her and another Florida friend who wrote such a delightful letter. I think it was O. W. Holmes who said "Friendship is the breathing rose. With sweets in every fold."

Another month has rolled by and soon we will be putting up new calendars for 1984. The Christmas season will soon be with us and I believe we have much to be thankful for. We have received much rain in November and it shovels much easier than the white stuff in the western states. My niece in Colorado Springs, Col. hasn't seen snow for over two years, until the last week and she has seen plenty in a few days. She was in Corpus Christi, Tex. Sunday evening Rhoda Labbe's dog scratched at the door, barked

and took on like mad, so she put the leash on him and when she opened the door to take him outside, two large yellow eyes were looking at her about ten feet away "Root!" and Doris Lawrence spent Thanksgiving with Mr. and Mrs. Joe Vatcher.

from the door. She was startled and upset for a few moments. Her Uncle Joe Vatcher, told her it was only a deer coming to watch TV and listen to the news.

Callers at Lawrences: Lloyd Humley, Albert Penley Sr., Mr. and Mrs. Joe Vatcher, Jeanne Millett, Sharon and Jennie Felt, Mr. and Mrs. Norman Abbott and Jo-Anne.

Dr. John Waite and Joe Vatcher went con hunting Monday night and got a nice fat coon at "Big Rock", back of the large barn near the stone wall. He had been eating good, maybe munching on Joe Kalinowski's frozen apples. The season ends Dec. 4.

The deer season is finished for another year, and the beagles will be glad to go on their daily run. It keeps them in trim.

Friday evening during the heavy wind blow the electricity was off for seven hours and the telephones were out at Vatcher's and Lawrence's and hopefully they will be repaired Monday. A tree may be laying on the wires some where near.

Have a good week everyone. Have we all written to Santa? It's that time of year again.

When a girl has 39 pieces of jewelry, what more does she need?

This. Obviously, the girl needs protection. For her jewels. And this is it: our lockable, tarnish-proof jewel case. To guard her most valued valuables. Worth its little price just for keeping things findable. (Ever try wearing one earring.) And it's such a pretty solution to her favorite storage problem. With a large, velvet-lined lift-out tray; a roomy, velvet-lined pull-out drawer; more velvet-lined compartments in between. This plushy protector may not replace her insurance policy. But she'll enjoy it a whole lot more.
